Dear Parent/Guardian:

You may have looked at the calendar and noticed we are getting ready to start a new school year. All students will need a chromebook. The school district is supplying these for student use. Please call the school at (775) 773-2525 for more information. Enclosed is a list of supplies needed for this year. I realize that this list is more extensive than typical. Each student will be given a box as well as desk area to store their belongings in. Please mark all items with permanent marker for identification.
