Employees shall not tolerate harassment of others and shall make reports as required at reporting procedures, below.

SEXUAL HARASSMENT

Sexual harassment of an employee is defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
1. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

EXAMPLES

Examples of sexual harassment may include, but are not limited to, sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

OTHER PROHIBITED HARASSMENT

Harassment of a District employee on the basis of the employee's race, color, gender, national origin, disability, religion, or age includes physical, verbal, or nonverbal conduct related to these characteristics when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee's work performance;

2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee's employment opportunities.

EXAMPLES

Examples of prohibited harassment may include, but are not limited to, offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other types of aggressive conduct such as theft or damage to property.

REPORTING PROCEDURES

An employee who believes that he or she has experienced prohibited harassment should immediately report the alleged acts to an appropriate person designated below.

Any District employee with supervisory authority who receives notice that another employee has or may have experienced prohibited harassment is required to immediately report the alleged acts and take whatever other steps are required by this policy.

Any other person who knows or believes that a District employee has experienced harassment should immediately report the alleged acts to the appropriate person designated by this policy.

TIMELY REPORTING

Reports of harassment shall be made as soon as possible after the alleged acts. A failure to promptly report alleged harassment may impair the District's ability to investigate and address the harassment.

A District employee may report harassment to his or her supervisor or campus principal. A person shall not be required to report harassment to the alleged harasser; nothing in this policy prevents a person from reporting harassment directly to one of the District officials below:

DISTRICT OFFICIALS

1. For sexual harassment, the Title IX coordinator. [See Site Principal or Superintendent]
2. For all other prohibited harassment, the site Principal or Superintendent.

A report against the Title IX coordinator may be made directly to the Superintendent; a report against the Superintendent may be made directly to the Board.

NOTIFICATION OF REPORT

Upon receipt of a report of harassment, a supervisor or principal shall immediately notify the appropriate District official listed above.

CONFIDENTIALITY

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

INVESTIGATION OF THE REPORT

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form. All documentation will be signed by the complainant.

Upon receipt or notification of a report, the District official shall determine whether the allegations, if proven, would constitute sexual harassment or other prohibited harassment as defined by District policy. If so, the District official shall immediately authorize or undertake an investigation.

If appropriate, the District shall promptly take interim action to prevent harassment during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

The District's obligation to conduct an investigation is not satisfied by the fact that a criminal or regulatory investigation regarding the same or similar allegations is pending.

CONCLUDING THE INVESTIGATION

Absent extenuating circumstances, the investigation should be completed within ten business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

DISTRICT ACTION

If the results of an investigation indicate that prohibited harassment occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the harassment.

The District may take disciplinary action based on the results of an investigation, even if the District concludes that the conduct did not rise to the level of harassment prohibited by law or District policy.

APPEAL

A complainant who is dissatisfied with the outcome of the investigation may appeal through the district complaint process beginning at the appropriate level. The complainant shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

This policy shall be distributed annually to District employees. Copies of the policy shall be readily available at each campus and the District administrative offices.

HARASSMENT OF STUDENTS

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment or abuse of a student will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See Reporting suspected child abuse, for additional information. The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

Unauthorized absences, chronic absenteeism, and tardiness may be cause for disciplinary action. Leave without pay for any reason requires the approval of a supervisor and the superintendent and must be requested in advance of the leave period. Any employee who is absent more than three days due to a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and, in the case of personal illness - the employee's fitness to return to work. Consult policy and/or appropriate negotiated agreements for guidance on submission of any request.

For further information regarding benefits, please contact the payroll clerk.
