What is Collaborative Leadership?

"Collaborative leadership includes the purposeful actions we take as leaders to enhance the instruction of teachers, build deep relationships with all stakeholders, and deepen our learning together." – **Peter Dewitt**

Support for Teachers During the COVID-19 Pandemic

Veterans Day, observed annually on November 11, is a tribute to military veterans who have served in the U.S. Armed Forces. Not to be confused with Memorial Day, which honors those who died while in service, **Veterans Day** honors all military veterans, including those still with us. *Special honors to our Hawthorne community and staff member veterans.*
