Conversely, failure on the part of the employee or Association to comply with the time limits negates the right to continue with this procedure.

5-4 **Grievance Steps**

Nothing contained herein will be construed as limiting the right of any teacher having a problem or complaint to discuss the matter informally at the lowest possible administrative level and having the problem or complaint adjusted.

If a grievance exists, the following steps shall be taken to resolve the grievance:

The parties acknowledge that it is usually most desirable for a teacher and the immediately involved supervisor to resolve problems through free and informal communications. Accordingly, any grievance may first be discussed with the aggrieved party's principal, with the objective of resolving the matter informally.

STEP 1 – School Principal

Within fifteen (15) school days after the occurrence, or of knowledge of the act or condition which is the basis of the complaint, the written grievance must be presented to the aggrieved party's principal. The principal must answer the grievance, in writing, within seven (7) school days.

If the principal determines that he has no authority in resolving the grievance, he may by written notice to grievant refer it to the next formal step of the grievance procedure.

STEP 2 – Superintendent of Schools

If the aggrieved party is not satisfied with the disposition of its grievance at Step 1, the aggrieved party must file a written grievance with the Superintendent within seven (7) school days of the receipt of the principal's answer.

The Superintendent or his designee will meet with the aggrieved party, his principal or immediate supervisor, or both, in an effort to resolve the grievance. Such a meeting will take place within seven (7) days after receipt of the grievance by the Superintendent. The Superintendent shall, within seven (7) school days after this meeting, render his decision, in writing, to the aggrieved party.

STEP 3 – School Board

If the aggrieved person is unsatisfied with the decision rendered by the Superintendent, he shall file his appeal with the School Board within seven (7) days following the receipt of the completion of Step 2. The Board will hear the grievance at the next subsequent regular meeting as long as it can be posted to the agenda in compliance with Nevada law. On special circumstances the Board may schedule a special meeting in compliance with the posting requirement of the Nevada Revised Statutes. The decision of the Board will be furnished to the grievant in writing within seven (7) days of the Board's meeting.

STEP 4 – Mediation

If the aggrieved party is not satisfied with the disposition of the grievance in Step 3, then the aggrieved party may present the grievance to mediation within seven (7) school days after the Board's response in Step 3.

Procedures for Grievance Mediation:

1. The Superintendent or designee must respond to a grievance request for mediation within seven (7) school days;
2. A mediator will be obtained from the Federal Mediation and Conciliation Service (FMCS);
3. The parties agree to comply with the rules and procedures of the FMCS and will equally split any fees or costs of the Mediator imposed by FMCS.

STEP 5 – Binding Arbitration

If the aggrieved party is not satisfied with the disposition of the grievance in Step 4, then the aggrieved party must present the grievance to binding arbitration within seven (7) school days after the Mediation.

The arbitrator will be selected in compliance with the American Arbitration Association (AAA) Rules of Expedited Labor Arbitration.

The Expedited Labor Arbitration format will be used at this level.

The Arbitrator will consider the grievance and render a decision that will be final and binding upon the parties.

5-5 Arbitration Costs

The costs of all arbitration shall be borne as follows:

- b. The expenses, wages, and other compensation of any witness called before the arbitrator shall be borne by the party calling such witness. Other expenses incurred, such as professional services, consultations, preparations of briefs and data to be presented to the arbitrator shall be borne separately by the respective parties.
- c. The arbitrator's fees and expenses and the cost of any hearing room shall be shared equally by the board and the individual or association. If the hearing is conducted on school property, by mutual consent of both parties, the District will provide the hearing room as space allows at no charge.
- d. If a court reporter is requested by either party or the arbitrator, the party requesting will be responsible for the fees. The individual parties will be responsible for copies of transcripts.

5-6 Rights to Representation

- 1. At least one Association representative will be present for any meeting, hearing, appeal, or other proceeding relating to a grievance which has been presented under this article.
- 2. When it is necessary for the Association to investigate a formal grievance or to attend a meeting or hearing held in connection therewith, upon request to the immediate supervisor, the grievant and one (1) Association representative will be released from normal duties, without loss of pay, in order to do so.

5-7 No Reprisals

No reprisal of any kind will be taken by the School Trustees or the administration against any person because of participation in this grievance procedure.

5-8 Cooperation of the Employer and Association

The District and the Association will cooperate with each other in their investigation of any grievance, and will furnish each other such relevant information as is requested for the processing of any grievance.

30+ complete years of service, 8 days of personal leave given each year, 7 days allowed to carry over to the next year

Days exceeding the maximum number of allowed carry over should be used by or reimbursed at the end of the year at the regular substitute's daily rate of pay. Those employees with 20 or more years of service within Mineral County School District are eligible for reimbursement for all accumulated personal leave days at the regular substitute daily rate of pay.

Any leave not used and carried over to the next school year will not be reimbursed to a terminating employee who resigns after June 15th.

Request must be made to the building principal 48 hours before the leave commences.

Such absence shall not be granted during the first or last five days of the school year. Additional day's absence may be requested under the reasons listed above, if, upon petition permission is granted by the superintendent. Additional days granted shall be considered leave without pay.

10-4 EXTENDED LEAVE

ARTICLE XI – PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

- 11-1 The board agrees to provide upon application and approval, the necessary funds for teachers who desire to attend select professional conferences affiliated with national or state organizations. Travel and per diem shall be deemed appropriate expenses of the school district, as well as the cost of substitute teacher if needed to relieve the participant. A teacher attending such conferences and meetings shall be granted sufficient leave time to attend without loss of compensation. Application will be made to the superintendent for approval via the teacher's principal. Fifteen (15) days advance notice of the conference will be given except in an emergency. The Superintendent shall respond to the request within five (5) days.
- 11-2 Either at the request of the association, or on the District's initiative, arrangements may be made through the superintendent for after-school courses, workshops, conferences and programs designed to improve the quality of instruction. Teachers shall not be required to attend meetings conducted by salespersons representing non-education related companies or organizations.

Materials and/or equipment are not to be used for personal reasons.
 - 4. An appropriately furnished room to be used as a faculty lounge. Every attempt will be made to provide adequate local telephone service.

All teachers will receive a copy of the evaluation and have the opportunity to respond to it prior to other administrators or members of the Board of Trustees reviewing the evaluation.

ARTICLE XVII – EARLY RETIREMENT INCENTIVE

17-1 Early Retirement Incentive/Bonus

After 20-24 years	100% of column 1 step 0
After 25-29 years	75% of column 1 step 0
30 years	50% of column 1 step 0

REQUIREMENTS:

1. Maximum of 3 employees per fiscal year with seniority in the district being the determining factor.
2. Must notify the District in writing by **May 10th** of intention to retire at the end of the school year. It is understood that should the applying teacher not be selected for the incentive said teacher may withdraw his/her notice of intent to retire. In the event that a teacher submits their intention to retire after **May 10th**, the district will consider approval of an incentive after consultation with the union. Early Retirement

Incentives will be decided on a case by case basis through consultation with the union.

3. Retirement may not be in the middle of a school year.
4. Must have completed the contract term of employment within which eligibility was reached.
5. Employee must have all included years of service in the Mineral County School District.

PAYMENT OPTIONS:

1. Lump sum payable with final paycheck.
2. Pay 2 lump sum with final paycheck and 2 lump sum on **January 10th** of the year following retirement.
3. Lump sum payable on **January 10th** of the year following retirement.

17-2 PERS – Purchase 1 year

Employees retiring from the District and qualifying for a Nevada PERS retirement may request to cash in 180 days of accrued sick leave in exchange for the District purchasing one (1) year of Nevada PERS service credit subject to any requirements of Nevada law including Nevada PERS regulations in effect at the time of the retirement. For employees with 15 years or more of service in the district who accrue 45 days of sick leave beyond the first 180 days, the District will purchase an additional 1/5 year of Nevada PERS service credit up to a maximum of 1 year service credit. This benefit shall not exceed 2 years of Nevada PERS service credit. This benefit is in lieu of the benefit provided by 17-1 and the number of employees who may opt for the benefit under 17-2 is the number (not exceeding 3) that insures that the combination of employees approved for 17-1 and 17-2 does not exceed the cost of the District approving three employees retiring under 17-1 computed as 3 x 100% of column 1 step 0. Employee(s) may request benefits under section 17-1 or 17-2 but not both.

Intent of this new language is that there would be no additional cost to District over cost of approving 3 employees under section 17-1. Currently the maximum cost under section 17-1 is 3 employees x \$31,690 = \$95,070 (2007-08); 3 employees x \$33,275 = \$99,825 (2008-09) 3 employees x \$35,535.78 = \$106,607.34 (2016-17). The District cannot guarantee that this event will be exempt from federal tax consequences.

ARTICLE XVIII – REDUCTION IN FORCE

- 18-1 The board may, upon giving written notice, refuse to re-employ any teacher for the next contract year due to a justifiable decrease in teaching positions due to decreased enrollment, district reorganization or lack of funding; provided there is consultation with association prior to the decision to make any such reductions.
- 18-2 On or about **October 30th** of each year, the superintendent will provide the association with a list showing the seniority of each teacher employed by the board, their areas of certification and courses taught and will thereafter, promptly notify the association of any changes in said list. The superintendent will at all times have posted in his office a current list which will be available for inspection during regular working hours by any teacher and/or the association.
- 18-3 In the event such justifiable reductions in force are made, reductions shall first be made among teachers with less than two years of service within the Mineral County School District. With respect to reduction in force the principle of seniority within the District shall govern, provided that qualifications are relatively equal, and provided further that no teacher qualified to teach a particular assignment or grade level as evidenced by the Nevada State Board of Education shall be replaced by another teacher not qualified for such assignment or grade level as prescribed above.
- 18-4 Any post-probationary teacher (employee) in good standing at the time of being laid off for the reasons stated in section 18-1 who wants to be considered for recall will be notified for a period of up to two (2) years following the effective date of the layoff that the District intends to fill a vacancy for which the teacher is certified. An employee desiring such notification is required to provide the District a written request at the time of the layoff, including forwarding address and personal email address. The employee is solely responsible for keeping the District informed in writing of any future change of addresses. The employee must respond in writing within fourteen (14) days of the date the District sends the notice of the vacancy (via certified mail and personal email) to the most current forwarding address provided by the employee. If the response is received within the above fourteen (14) day time frame, the District will give preference to the former employee with the most prior service with the District over similarly qualified candidates from inside and outside of the District if the former employee meets all qualifications for the position, i.e. remains certified for the position, and remains in good standing with the Mineral Country School District, any interim school districts where the employee was employed during the period of the layoff and the Nevada Department of Education. If no timely request for re-employment is received within fourteen calendar days of the date of mailing or emailing the notification(s), the District may immediately refill the position from qualified applicants from within or outside the District.
- 18-5 All benefits to which an employee was entitled at the time of layoff will be restored upon return to active employment including but not limited to accumulated sick leave, seniority and salary placement, subject to no restoration of sick leave that was paid off pursuant to Article 10-1-8 and subject to transfer of sick leave between Nevada school districts in accordance with Nevada Law.

The schedule will be cooperatively developed by the coach and building principal and presented to the county superintendent for approval prior to the first game.

The minimum team size shall be 10 students to hire a coach/supervisor for all sports, intramurals, or sponsors.

During the first two years of experience in the same extra-curricular activity at the same school in Mineral County School District the pay will be based on the B.A. minimum salary. After two years of experience in the same extra-curricular activity at the same school in Mineral County School District, the pay will be based upon the M.A. minimum salary. A break in service of two years or less does not eliminate years of experience in the extra-curricular activity. If a listed extra-curricular activity was previously listed as intramural the years of experience an advisor or coach receives as an intramural advisor or coach will count for years of experience in the same extra-curricular activity in the same school. Pay for movement from an intramural coach/sponsor will not place an individual higher than the listed beginning step for a sports coach. Years of experience must be earned in the same extra-curricular activity in the same school at Mineral County School District. Proper employment posting and hiring procedures must be followed one month prior to the start of any extra duty activity for any non-employee and two weeks for any Mineral County School District employee for any open extra duty positions.

This pay schedule is based on an index with 1.00 being equivalent to ten percent (10%) of the appropriate base salary. No extra duty curricular activity will be paid without the proper submission of fully signed contracts between the coach and building principal submitted to Human Resources (qualifications found in Mineral County School District Board Policy GBBM1).

The indexes do not apply when the name activity is incorporated as part of the regular curriculum.

20-3-1 Employees holding the positions listed in this section shall be paid by in the first certified pay period following the end of the activity.
